Dear Tedie -

Your card written last  
thursday, received here last night. Think  
of it, almost a week since the rains  
have laid up everything. We could not  
have gone last Sunday any way, but if  
nothing happens we will be with you  
Sunday Mar the 8<sup>th</sup> a week next Sunday.  
If there is any shopping you would like  
me to do for you, just let me know  
and I will attend to it for you.  
Am so anxious to see you all.  
Have not heard from Netie that one  
card in over a month. ~~Of course~~ Going  
to the races Saturday. Don't forget to  
ask me about Maudie when we come.  
Think I will make a note of the thing  
I want to tell you and ask you. Net  
want to get away early start so we have  
a long day. Tell the kids to have  
their little mouths all ready for candy  
and biscuits. Joe says he can't resist

how they will look. Saw Ruth Nege  
is Hal's store. Ask about you and J.  
Daddy. also Kate. I got two new fur  
shoes today. Will see you soon.

Lots of love to all - Maudie

Be sure and let me know if you  
want shopping done. Will only be so  
glad to do any for you -
